Subject: Microsoft Settlement

To whom it may concern,

I think that it is time to end the action against Microsoft. The settlement that is currently on the table is more than fair. I feel this entire process was a poor use of taxpayers dollars not unlike the waste involved with the impeachment of President Clinton.

It is time to end an era of Anti-trust abuse. Please remove the deterrent to investors in the high-tech arena so that we can get the economy moving again.

Thank you,
